

RANPAK MAKES PACKAGING AS SIMPLE AS "ABC"

FillPak®

EXTREMELY FAST AND EFFICIENT VOIDFILL

- *Fast* - converting speed is 55 inches per second
- *Versatile* - integrates easily into a voidfill or pick and pack operation
- *Economical* - more cost effective than other voidfill materials
- *Efficient* - seven packs of paper can be stacked, adhered together and converted for maximum uptime and throughput

FillPak converts fanfold paper into a fast, efficient and effective voidfill material that will protect your products during shipment.
